

Improve your knowledge of airport operations.

We will have controllers from Hooks tower and Houston Approach Control. The object of this seminar is to improve safety in controlled airspace.

Directions: Turn left on Boudreaux Road from FM 2920. Take your first left to entrance. Call Gill Aviation for admission. Meeting will be held in Hanger #3 (X-52).

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
